ESAD de Murcia is a HE institution committed with the theatrical legacy as much as with the research in learning and teaching for training, innovation and creation in Performing Arts. We believe in the power of higher education that makes a significant economic, intellectual and cultural contribution to the world. We are committed to international through the creation of world-changing research and high quality, inspirational teaching within an inclusive academic culture. Central to the achievement of our vision of an international institution are the benefits derived from working collaboratively.

The dialogue and interaction with our partners enhance both our academic and cultural lives. Since 2010 we are working in international exchanges of students, academic and administration staff from ESAD de Murcia

and vice versa that enable the modernization and lifelong learning. We have developed all kind of successful partnerships collaborations result of shared commitment, created a stable co-workers network and undertaken training projects for our students in Portugal, Czech Republic, France, Italy, United Kingdom and Slovakia, among others.

Our goal is the transference of educational and organizational strategies for innovation in Performing Arts Higher Education, focusing on Musical Theatre, Physical and Devised Theatre, Text-based Theatre and Stage Direction and Dramaturgy.

Our next targets:

1. Encourage Performing Arts research and innovation in the Erasmus+ framework.
2. Increase visibility of ESAD de Murcia.
3. Implement collaboration with HE non-EU institutions.
4. Promote employability and entrepreneurship.
